(a) whether the Teachers of Rajput Bandhu Primary School, Tilakwadi, Belgaum, have made a representation complaining that They have not received their pay for about last three four months;

(b) if so, the reasons for the same?

SRI B. SUBBAYYA SHETTY (Minister for Education). —

(a) Yes. However salaries of teachers have since been drawn and credited into their Bank account on 21 February 1979.

(b) There was a dispute between the former management of Lokamanya Education Society, Rajput Bandhu Primary School and the new management of Viswa Bharat Seva Samithi, Belgaum.

SRI P. A. PAWASHE.—Prior to 21st February 1979, may I know for how many months the payment of salary was with-held?

† SRI B. SUBBAYYA SHETTY.—The salary was with-held for some months—I do not have the details. Now the salary has been disbursed.

SRI P. A. PAWASHE.—Whether it is a fact that salaries for the months of March and April have been with-held?

SRI B. SUBBAYYA SHETTY.—Salaries were with-held, but later on orders have been passed to disburse the salaries the Order has been issued.

SRI P. A. PAWASHE.—If there is a dispute between the Management and teachers and if harassment is caused to the teachers, why the Government should not take over such schools?

SRI B. SUBBAYYA SHETTY.—There are certain difficulties with the Government for taking over of schools. Here, the question of taking over does not arise. There was some dispute between the Management and teachers in the High School at Tilakwadi, Belgaum which was run by Lokamanya Education Society for the past 42 years. They passed a

Resolution to transfer it to Viswa Bharat Seva Samithi, Belgaum, and to hand it over to the Society on 10th July 1978. But they ought to have taken permission from the Department before transfer, which they did not do. That is why the department did not approve of the transfer. However, we are considering whether to approve or not.

SRI B. B. SAYANAK.—Is it not a fact that the teachers have asked the Lokamanya Education Society to hand over this school to the Society which has been formed by the teachers?

SRI B. SUBBAYYA SHETTY.—The hon. member is giving that information just now to the Government. But according to the information which I have here, the teachers had requested the Government to take over the High School.
